

Wellbriety Tree of Hope Order Form - 2017

It's that time of the year again to put up a Wellbriety Tree of Hope in your community! Each year White Bison distributes FREE White Bison Ornaments to treatment centers, youth organizations, families and communities to raise sobriety consciousness. Individuals are asked to write their name on one side of the ornament and length of sobriety on the other side. We highly encourage children to participate as well as a way of showing our youth that being sober is cool! We believe that displaying White Bison ornaments in our communities is a positive annual tradition to start measuring consciousness.

To order a FREE set of ornaments please fill out the form and email it to info@whitebison.org.

Contact Information

Name of Organization: _____
